

PEGASUS *SOLERO SL DISC 24*

Trekking bike

460 €

With its classic trekking look, the Pegasus Solero SL Disc 24 offers everything you need in everyday life and on tours - from the solid system luggage rack to the snappy and easily adjustable disc brakes to the wide-spread derailleur with 3x8 gears. A suspension fork with 63 mm suspension travel irons out bumps in the road; The sitting posture is tailored to speedy tours, not least thanks to the sporty handlebar shape. In everyday life, the LED lighting with parking lights at the front and rear ensures safety.
